Fall Water Run begins October 1st

Consolidated Irrigation District will begin the Fall Water Run on October 1, 2019 and it is expected to continue through the end of the month.

To find your Irrigation Specialist, visit the [For Our Growers](#) on the Consolidated Irrigation District website to use our NEW interactive map. You will be able to locate your Irrigation Specialist and phone number. Just give them a call to set up water delivery.

Central Kings GSA Public Meetings

Central Kings GSA will be holding public meetings to discuss the Draft Groundwater Sustainability Plan.

The meetings will be held at Kearney Ag Center in the Nectarine Room.

Address: 9420 S. Riverbend Ave. Parlier, CA 93648

Meeting Dates: October 17, 2019, 6:00 pm to 8:00 pm

October 24, 2019, 10:00 am to 12:00 pm

Verbal comments are welcome at the public meetings. Written comments can also be submitted until October 29, 2019 using methods below. It is preferred that submitted comments be concise and include the appropriate GSP reference (section and page number).

Well Report

Consolidated Irrigation District semi-annual well monitoring shows that on a year to year basis the District groundwater average is continuing to increase.

For complete review of each Well Location, visit the [For Our Growers](#) on our website.

Depth to Groundwater (feet)

Location	September 2019	March 2019	Six Month Difference	One-year Difference	Five Year Difference
East Side Average	58.76	61.73	-0.15	2.93	1.12
West Side Average	112.12	112.90	0.90	1.86	-4.19
Overall Average	85.44	87.31	0.38	2.39	-1.54

“Our goal is to ensure our growers have access to reliable, high quality, surface and groundwater for the foreseeable future.”

Employee Anniversaries

- Richard Lopez—14 year anniversary, October 3rd
- Brian Slaven—5 year anniversary, November 29th

Assessment Reminder

- Assessments are billed through the secure tax roll (property taxes).
- 1st installment is due December 10th.

Employee Spotlight—Marcus Diaz

Marcus Diaz has been employed with the District for 3 years. He is currently the Irrigation Specialist for Section C, which serves Church Water Land Owners.

During the off season, Marcus enjoys building trash racks and walkways. Marcus enjoys working with his fellow CID employees and likes the friendly environment on the job.

When Marcus isn't at work, he spends his time watching the Cowboys and spending time with his three daughters (12, 11, & 2 years old). Marcus devotes his time BBQing and driving around his

daughters to their cheer and dance team events.
